Time Trial Code of Conduct

- Remember your number and yell it out at the finish.
- Be aware of the riders finishing with you; this information may be needed when times are being calculated.
- Pass to the left, and call out when passing.
- No drafting.
- No going left of the center-line; ideally stay along the white line
- Treat the volunteers with respect; remember, they are volunteering their time so you can ride; anyone who argues with or otherwise treats the volunteers with disrespect may be banned from participating in our event(s); we will gladly refund your membership dues if you are unsatisfied with our event and chose to show your dissatisfaction in an unprofessional and discourteous manner.
- Ride smart and ride safe.
- Be sure to welcome new riders and congratulate those with new Personal Records.
- Have Fun!
