MAY MEETING

The May meeting of the QCW took place at 7:30 p.m., at the Gesell home on May 6. Eight members attended.

The treasurer reported that the balance of funds was \$418.47, and the club made approximately \$250.00 on the U.C. Criterium.

It was reported that Pete DiSalvo is the State Representative of the ABL of A in Ohio, and anyone needing his services should write to the following address: 117-B McClure St., Dayton, Ohio 45403, or call 223-2501.

Alan Bolton was appointed to look into the feasibility of another sanctioned race this year. Paul Hollingshead volunteered to make lap cards.

With regards to club races, it was suggested that we should try to induce a more congenial atmosphere so as to encourage new-member participation.

The race previously scheduled for May 20, was rescheduled for May 26. A film was shown of the U.C. Criterium.

Respectfully submitted, Don Schilling, Secretary.

JUNE MEETING

The June meeting of the QCW will be held on Sunday, June 3, at the Gesell home, address above, at 7:30 p.m.

CLUB RACES - Alan Bolton

There seems to be some confusion concerning the awarding of points to club members. I hope the outline below will explain it.

The point system is as follows:

There will be 3 places for riders in the Time Trials and Road Races, based on age groups.

- Time Trials 5 points for every event completed.
Placing Points
1st = 10 points
2nd = 8 points
3rd = 6 points
4th = 4 points, 5th = 2 points

- Road Races 5 points for every event completed.
"A" race (long) "B" race (short)
1st = 10 points 1st = 5 points
2nd = 8 points 2nd = 4 points
3rd = 6 points 3rd = 3 points
4th = 4 points, 5th = 2 4th = 2 point, 5th = 1

- ABL of A Races 10 points for every event completed.
Placing Points
1st = 20 points 6th = 10 points
2nd = 18 points 7th = 8 points
3rd = 16 points 8th = 6 points
4th = 14 points 9th = 4 points
5th = 12 points 10th = 2 points

(The above will apply even if the prizes are not awarded down to 10 places.)

Club Champion will be the member accumulating the most club & ABL of A points.

Standings to Date (this is not completely accurate...there are riders who have competed in ABL of A races, whose places we do not have. Please contact Alan Bolton and/or Mary Gallagher to give us your placings in ABL of A events so we can update the next newsletter. Alan will be on vacation, so if you can't reach him, please contact Mary. Thanks.) The below standings are based on Club events ONLY -- some of you have many more points than this, but until we have an accurate computation, we will simply list club points. By the next newsletter, please have all info in to Mary, O.K.?

Table with 2 columns: Name and Points. Includes Bill Gallagher (60 pts), Watson Nordquist (43 pts), Gene Cornwell (28 points), Don Schilling (24 points), Jon Spicker (23 points), Al Zaffiro (20 points), John Gilmer (13 points), Les Gesell (12 points), Jeff Sauer (11 points), Phil Kennedy (11 points), Gillen (10 points), Jack Christensen (9 points), Ken Luken (9 points), Vic Boehm (7 points), Paul Ratterman (7 points), Pete Luken (5 points).

NOTE: Please, even if you think I know about your performances at ABL races, call me up to tell me again...I don't want to forget you people, and it's pretty hard to keep track of each member when the races are every weekend. Editor.

NON-ATTACHED RIDERS: Non-attached riders, those who are not members of ABL of A affiliated clubs, who want to participate in ABL of A races, must pay DOUBLE ENTRY...

WE REGRET - The resignation of Frank Gall as Secretary was regretfully accepted at the April meeting. Don Schilling was appointed to serve as secretary for the remainder of 1973.

MAY 26th RACE - At the May 26th race there will be a slow lap around the course before the races begin. The purpose is to provide a chance for inexperienced racers to learn some road racing techniques. Alan Bolton, who has raced extensively in Great Britain, and Wats Nordquist, who has raced extensively in the U.S., will help you to learn some of the "tricks of the trade," which you will then be able to practice on your own and which should help you new racers in both the club & ABL of A events. After this session the race will start. So, if you are interested in improving your form and tactics, be at the New Haven course at 2:00 p.m., Saturday.

QUEEN CITY WHEELMEN

The Queen City Wheelmen is an Amateur Bicycle League of America (ABL) member club. The ABL is the body which governs all amateur racing within the United States. Membership in the Queen City Wheelmen is open to anyone whose purpose coincides with that of the Club - to actively promote and/or participate in the sport of bicycle racing. There are no restrictions on age within the Club, although only those over 10 are permitted to vote. There is a place for the 8 year old to race as well as the veteran of 80. Not only are those wishing to actively race encouraged to join but there is a great need as well for others interested in promoting the sport in such facets as helping run a race and publicity.

Why join the Queen City Wheelmen? We believe that a club devoted exclusively to racing is a great benefit to anyone enjoying the sport, for you'll find yourself in the midst of others with the same interests as you. Competition within a racing group will help your own speed to improve.

From the beginning of May until September mid-week club races are held each week. On Sundays, members travel to various cities to participate in ABL races. Other activities include training rides and touring with the Cincinnati Cycle Club.

Meetings are held once a month. Dues are \$5.00 per year for an individual; family memberships are \$10.00. For further information, contact Les Casell - 542-6190, or Larry Nordquist - 631-7786.

Send completed application blank with remittance enclosed to: Larry Nordquist, Membership Chairman, 3544 Edgeview Dr., Cincinnati, Ohio, 45213. (Make checks payable to the Queen City Wheelmen.)
