A COMEDYLOF ERRORS and and draid publication of the first Lord Lie

The may issue of the NEWS was hastily typed and written, (written and typed?) the result was a newsletter with a few (?) typographical erro errors, and mistakes in the reporting.

Mike Limke did not place 14th in Senior III & IV at the Cincinnati Criterium, but rather his brother Mark placed 14th. This error has been corrected in the club records. Sorry Mark. Also, (as if that wasn't bad enough?) Some of the members addresses were mixed with others and some were left out, the correct addresses are:

Glenn Wolf 7765 Stillwell 45237 Cin. 761-1966
Greg Hanfbauer 570 5670 Western Hills 45238 921-3049
Watson Nordquist & Family 3544 Edgeview 45213 631-7786
Dan Brant 8112 Bridgetown Cleves 45002 941-6076 seem willing of bright

CLUB TIME TRIALS

The club is again holding an eight week time trial series that started May 14th and will run until July 2nd. These time trials are one of the many QCW functions that the club puts on during the year to try to generate interest in the club, and to give club members a chance to get together and to know one another better. They are also a way of improving your riding. The time trials are run every wednesday at 6:30 pm. at William Henery Harrson State Memorial. This is located off U.S. 50 (River Road) in the Cleves and North Bend area. Look at the map included in this issue. Or call Jon Spicker (922-7354). If anyone out there knows what a time trial is please write in and tell me.

MORE ALIBIS

After hearing how much everyone enjoyed the last list of alibis was so very much enjoyed, and used up rather quickly I felt it necessary to supply our clubs fantastic riders with more of the same. I think we can all feel very proud in knowing that the Queen City Wheelmen riders have some of the best alibis in the entire Midwest.

RACE RESULTS

Phil Kennedy seams to be just about the only active (ueen City wheel-men. Phil placed 4th in the Chillicothe Criterium, and won the Tour of Strongsville up by Cleveland. Francisco Cardona also made a very strong effort at Chillicothe. He rode very aggressive and was in every break away attempt, and tried a break away of his own on the last lap but failed.
