Membership Roster

First let us acknowledge all those who brought their dues up to date. The response to the last dunning notice was overwhelming. Please review the roster in this issue. If your name does not appear, then you may safely conclude that you are not supporting your club. By the way, the roster is a useful tool for organizing training rides, car pools or exchanging pleasantries. Please place it near your phone directory.

Advertising

Perhaps you noticed this issue's commercial message. Our rates are \$15.00 for a full page with a 20% discount if the ad is placed by a paid-up member. Clubs and other non-profit organizations are free for tour & race applications, but sufficient copies must be furnished. Any member may run a classified-style ad at no charge. Deadline is the 20th of each month.

Congratulations

Cincinnati's own, Paul Liebenrood, rode a 56:08 to win the Senior Men event in the State Time Trials!

Campus Cyclery with a generous assist from Mark Vincent pulled off the first annual CUF Ravine Street Hill Climb without a single negative incident. A good introduction to cycling for the previously uninitiated. Pretty demanding sport, isn't it?

Results for the Famiglia Festival weren't made available to us at press time. Early indications are the race was indeed a success and much better organized than in years past. Volunteers from CCC and QCW helped make it happen. Thanks to the workers.

RACE CANCELLED

"It was a nightmare," reports Kent Frazier, the now burnt-out chairman of the Cincinnati Road Race. "We've got a sponsor to the tune of \$10 - \$15,000 willing to give \$4,000 in prizes but we can't get a race this year."

Actually, Kent did a helluva job trying to put this thing together and negotiating a sponsorship deal. The only hang up was finding a safe, but challenging course, where people were likely to be or come to watch and that City Officials would let us pay to use. That last proviso, my friends, killed us. Eden Park was the last of a dozen potential courses that we screened. The Park Board said, "NO". (Because of our reputation in using Burnet Woods, we're welcome at that facility at any time. Our sponsor did not feel that this location would adequately expose his product.)

TIME TRIALS

Sure missed Mark on Tuesday, the 15th. With everyone's cooperation the second string timer muddled along even without the clock and pace cards. In retrospect, Mark and family certainly deserve their respite. Glad they're back, though. Enjoy excellent timing and training--every Tuesday evening at 6:30 PM. Call 244-7164 for further info.

Dear Friends:

Sweat, Inc. is going into cycling gear after three years supplying runners. It's about time; I know a lot more about bicycling than I do about running. I hope you enjoy our initial offering. Please let me know what you feel you need, and I will stock it.

Bill
Bill Mirbach,
Chief Sweat

CLOTHING - Cycling clothing is best bought where you can see it and try it on. But no local shop does a decent job, in my opinion, of bringing in good, proven stuff. They just sell what's easy to get, and that is often what did not sell in the major cities. Here are my own picks:

1. DUEGI LEXAN SOLE SHOES (SALE) \$45.00 (reg. \$55)
White perforated leather (and a couple of black pair) in stock. Duegi wood soles have always been great, but a little too stiff. These have the same great fit, high arch, and superior quality, but just a ting of flex. To introduce them to Cincinnati, I put a super hot price on them!

2. GIORDANA SKIN SHORTS AND BIBS
These shorts and bibs have Italian quality, padded chamois and long legs to avoid chafing. Again, a hot introductory price, only until July 15! Regular price for shorts: \$30.00/Bibs: \$37.50.

Shorts	Sizes 1 - 5	\$26.50
Bibs		\$33.50

3. Musclor Massage Embrocation
An essential training aid. Comes in three variations: #1 for relaxing, after-ride massage; #2 for pre-ride warm-up; #3 for really important rides cold days, insensitive skin, etc.

Musclor #1, #2, or #3 \$ 3.00 per tube

4. CYCLING SOCKS
My own specially-made socks are extra soft and super silky:

Cotton	\$1.50/pair
Wool	\$2.25/pair

6. CYCLING CAPS
Mostly, they say Campagnolo on them. \$2.50 each/2 for \$4.25

SALE FOR
SHOES & SHORTS
ENDS JULY
15TH!

EQUIPMENT:

1. CAMPAGNOLO HUBS

High or low flange, 28, 32, or 36 hole drilling. The standard of the industry at the lowest price.

\$67.50/pair

2. CAMPAGNOLO TOE CLIPS

- Only Campy could make a toe clip for a foot fetishist. Not only are they beautifully finished, but they're stronger than other aluminum clips and they have a little tab in them that guides your shoe into them. The way to complete your all-Campy bike.... or add a touch of class to your commuter machine.

\$14.00/pair

Ordering Instructions: Call 321-9726 and tell either me or Betty Lane or the tape machine what you want and how to contact you. We will set up a convenient time and place to get together. Otherwise, you can use the handy order form below, but you'll have to pay UPS charges if you want your package shipped this way.
