ANNUAL MEETING - The Queen City Wheels annual meeting and banquet was held Saturday evening, January 11 at the Blue Ash Recreation Center. There was plenty of food and drink and everyone had a good time. The following topics were discussed:

Time Trials - The series went on without a hitch. The times were very fast this year with 6 racers riding in the 22's. Paul Liebenrood rode a 21:38 to post the fastest time. We all thanked Jim Obert for the great job he did.

Spring Training Series - Six races were held this year on a good variety of road, circuit and criterium courses. O'Brien Forbes was the series leader and everyone thanked Roy Roberts for directing the event.

Cyclebration '91 - QCW put on all three races this year for the first time and did a marvelous job. The Mt. Adams Hill Climb, Turfway Park Criterium and the Blue Ash Dash were all successful and well attended by both racers and spectators.

Cyclebration '92 - It was announced that the 1992 event will likely feature some major changes. It will take place July 31, August 1 and 2. We are working with WEBN to find sponsors for a combination radio/race promotion. The hill climb will be largely unchanged. We hope to hold Saturdays event in Eden Park and the Blue Ash Dash will probably feature a course change.

1992 Spring Training Series - Roy Roberts passed out the dates and times for this year's event.

Treasury Report - Dave Carr announced an end of year balance of \$3226.25. The banquet and raffle expenses will come out of this balance.
