

Queen City Wheels

December 1, 2001

Volume 3, Number 6

From The President "Banquet Jan. 26th 2002"

By
Bob Rich

This is the time of year to plan your upcoming season and write down your goals. Well, it is QCW's time to write down its goals for next year and **WE NEED YOUR HELP!** We have included a survey in this newsletter that needs to be completed and returned by **JANUARY 18, 2002** along with your renewal application. Your response, or lack thereof, is **critical** to the future of QCW. Please take the time to respond so 2002 can be the best season ever for both you and our club. If we all agree to serve, with a little effort, we can reach our goals.

QCW AT THE STATE TT

By
Toby Costello

Queen City Wheels was well represented at the State Time Trial Championships this year. It was held at Delaware, Ohio near Columbus with a 22 mile out and back course. It

was a windy day and the temperature was cool. On the way out is where you had to fight the wind and struggle to keep your bike moving above twenty miles an hour. It was a slightly rolling course with very good road surface. On the way back is where you could really let it fly. The only trouble I had is that my chain kept falling off the front chain ring. Twice I had to dismount my bike and put the chain back on. Still I managed to take second place. Here is how QCW members finished:

- Peter Wimberg 1st (35-39)
- Dave Carr 1st (60-69)
- Toby Costello 2nd (50-54)
- Jay Faberman 3rd (60-69)

Also competing at the time trail was Eugene Spiegel. See page two for some pictures he took.

(Continued from page 1)

DATE/TIME: January 26, 2002 at 6:00pm.

LOCATION: All Saints Episcopal Church

DIRECTIONS: located in Pleasant Ridge at the corner of Grand Vista and Parkman Place. If you are traveling from the north on Montgomery Road, go through Pleasant Ridge and turn left onto Grand Vista just past the library. If you are coming from the south on Montgomery Road, go about 4 miles from Kenwood Road and turn right onto Grand Vista just before the Pleasant Ridge business district. The church is on the left.

THE BANQUET IS FREE TO ALL QCW MEMBERS!

The weather during these last few months has been the best in years. In order to prepare for the Spring Series, November and December should be spent riding in the small chain ring or using a fixed gear bike. For cross training purposes, weight lifting is great for this time of year. QCW is tentatively scheduled to sponsor the March 10, 2002 race in Morrow. If you have a priority race scheduled in May or June, it is my recommendation that you should not attempt to peak for the Spring Series; instead use it as a build up to your priority event.

Again, please be sure to fill out and return the enclosed survey, which will also serve as your RSVP to the banquet.

I would like to extend a sincere wish for a happy and safe holiday season to our members and their families and hope to see all of you at the banquet!

Next year we will have new skinsuits to match the clubs current logo. They should look really nice. I think there is still time to order QCW merchandise. Call Evan Sayre at Wright Brothers.

Loveland Cyclocross No. 2

By Doug Dobrozsi

Presented by QCW Youth Cycling
Sponsored by Wright Brothers Outdoor

December 2nd, 2001

Phillips Park, Loveland, Ohio

Two days of clear weather were not enough to dry out the course and for the last race in the Ohio Valley CX series it looked just like those pictures of cyclocross I see from "Yurrip". The course was slow and riders had to work hard. The big news was 15 riders under the age of 15 showed for the day between the youth and junior races. 13 Year old Billy West of Loveland passed a good bit of the beginner men's field he started behind to win the Junior race. Dave Barcus was untouchable in the beginner men. Courtney Bollman is usually fast anyway but the course must have suited her perfectly as she led home both the intermediate men and expert women in the B race. Phil Noble as we have come to expect took the A race in his impressive form. In the youth races, Jarrett Frauhiger returned with style after a 3 month medical absence to take the 1 lap race; Ambrose Dobrozsi managed to work those new clipless pedals just well enough to hold off Steven King in the closely contested 2 lap race. All of the kids went home with dirty shoes and shirts, and some nice ribbons, certificates and door prizes compliments of Wright Brothers Outdoor.

Many thanks to Wright Brothers Outdoor, Chip Ellison (prizes), Ryan Lindsay and Shawn Sichak for setup and registration, race official John Luginbill, and the city of Loveland for a great event.

Submitted by Doug Dobrozsi pedalpower@voyager.net

Race	Name	Team	Time
2 Lap Youth Race
